SPECIALTIES

Fingerprint, Palm Print and Footprint Impressions, Footwear Impressions, Tire Tracks, Fabric and other Impression Evidence.

CURRENT EMPLOYMENT

April 2010 - present

Associate Forensic Scientist
Forensic Comparative Science Specialists, LLC
Concord, NH

Duties include: Providing consultation in a number of forensic disciplines for both criminal and civil cases. Conducting administrative and technical reviews of case work. Performing examinations or reexaminations of physical evidence. Assessing transcripts from trials, hearings and depositions. Offering expert testimony. Providing instruction in the areas of crime scene processing, forensic photography, and technical aspects of various forensic science disciplines.

May 2002 -present

Criminalist II
New Hampshire State Police Forensic Laboratory
Concord, NH

Duties include: Examining evidence submitted by state, local and federal law enforcement agencies for the presence of latent fingerprints, palm prints, foot prints, fabric impressions, footwear impressions and/or tire tracks. Comparing identifiable latent impressions to known fingerprints, palm prints, foot prints, fabric, footwear and/or tires. Collecting and preserving physical evidence at crime scenes. Coordinating examinations/analyses of physical evidence in major cases. Writing and reviewing formal analytical reports. Testifying as an expert witness in criminal trials.

EDUCATION

Bachelor of Arts-November 1993
Saint Leo University
Saint Leo, FL
Major - Criminology

One hundred four week resident Latent Print Examiner Training Course
U.S. Army Criminal Investigation Laboratory
Fort Gillem, Forest Park, GA., (October 1989 - October 1991).

Timothy A. Jackson

PROFESSIONAL EXPERIENCE

August 1999-
May 2002 Criminalist I
New Hampshire State Police Forensic Laboratory
Concord, NH

Duties included: Examining evidence submitted by state, local and federal law enforcement agencies for the presence of latent finger, palm or foot prints. Comparing identifiable latent impressions to submitted inked finger, palm and/or foot prints. Collecting and preserving physical evidence at crime scenes. Issuing written reports of findings and presenting expert testimony in criminal courts.

October 1989-
August 1999 Special Agent/Latent Print Examiner
U.S. Army Criminal Investigation Laboratory, Fort Gillem,
Forest Park, GA

Duties included: Utilized scientific techniques to process evidence seized by Department of Defense investigative agencies for the presence of latent finger, palm or foot prints; and/or footwear, tire and fabric impressions. Compared suitable latent prints or impressions with any known finger, palm and foot prints, or known tires, shoes and fabrics. Prepared written reports detailing the results of examinations and testified as an expert witness in criminal proceedings.

January 1984-
October 1989 Special Agent, U.S. Army Criminal Investigation
Command, Mainz, Germany & Fort Dix, NJ

Duties included: Conducted felony investigations to include crime scene processing, collection and preservation of physical evidence, searches and seizures, interviews, interrogations and apprehensions. Prepared written reports detailing the results of the investigations and testified at criminal proceedings.

April 1981-
January 1984 Military Police Investigator
Fort Rucker, AL

Duties included: Conducted minor felony and misdemeanor investigations to include crime scene processing, collection and preservation of physical evidence, searches and seizures, interviews, interrogations and apprehensions. Prepared written reports detailing the results of the investigations and testified at criminal proceedings.

December 1978-
March 1981 Military Policeman
Stuttgart, Germany and Ft. Rucker, AL

Duties included: Enforcing moving violations, responding to traffic accidents, emergency calls, felony and misdemeanor crimes, collection and preservation of

Timothy A. Jackson

physical evidence, interviews and apprehensions. Prepared written reports detailing the initial response and initial investigation. Testified at traffic and criminal proceedings when required.
