Crime Scene Certification Prep Course (CCSI Level)

This course is designed to help prepare for IAI Crime Scene Certification (CCSI level only). The instructor will lead the class in reviewing the IAI reference materials during the first two days of class. Sample test questions will be used throughout the course to help review the study material and to prepare for the examination. The third day will consist of a comprehensive review and a mock exam. Those who submit applications to the IAI in time can take the IAI exam on the third day.

Per the IAI: "**All applications for certification MUST be received by the IAI Office at least 60 days prior to the test date**"

Visit the IAI website for information on Crime Scene Certification (www.theiai.org).

NOTE: This course is _not a substitute_ for reading the required study reference materials. All students are expected to have read the required text books prior to taking this course.

The textbooks for IAI Crime Scene Certification are (check IAI website for any changes):

Crime Scene Photography, Edition II, by Edward Robinson, 2010, Elsevier Science & Technology Books (All Chapters EXCEPT 1, 8 and 12)
