

FoCOSS Forensics

Forensic Comparative Science Specialists, LLC

3 DAY CRIME SCENE “BOOT CAMP”

Instructor: Timothy Burt (CSCSA/CCSR)

This course is designed as an introduction or refresher for patrol officers and detectives. Topics covered in this course are:

- Crime scene security
- Crime scene documentation
- Photography
- Evidence Collection
- Latent Processing
- Footwear Impression Evidence

This course is taught through presentations, demonstrations and practicals. Dress is business casual. Students should bring a digital camera, flashlight and tripod. The third day will consist of processing a mock crime scene.
